Every subcontract shall bind the subcontractor to follow all applicable terms of this Contract. The Contractor is responsible to the County if the subcontractor fails to comply with any applicable term or condition of this Contract. The Contractor shall appropriately monitor the activities of the subcontractor to assure fiscal conditions of this Contract. In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to the County, State of Washington, and Dept. of Commerce for any breach in the performance of the Contractor's duties.

Every subcontract shall include a term that the County, the State of Washington, and the Dept. of Commerce, are not liable for claims or damages arising from a subcontractor's performance of the subcontract.

### **35. SURVIVAL**

The terms, conditions, and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive.

### **36. TAXES**

The Contractor understands and acknowledges that the County will not withhold Federal or State income taxes. Where required by State or Federal law, the Contractor authorizes the County to make withholding for any taxes other than income taxes (i.e., Medicare). All compensation received by the Contractor will be reported to the Internal Revenue Service at the end of the calendar year in accordance with the applicable IRS regulations. It is the responsibility of the Contractor to make the necessary estimated tax payments throughout the year, if any, and the Contractor is solely liable for any tax obligation arising from the Contractor's performance of this Contract. The Contractor hereby agrees to indemnify the County against any demand to pay taxes arising from the Contractor's failure to pay taxes on compensation earned pursuant to this Contract.

The County will pay sales and use taxes imposed on goods or services acquired hereunder as required by law. The Contractor must pay all other taxes including, but not limited to: Business and Occupation Tax, taxes based on the Contractor's gross or net income, or personal property to which the County does not hold title. The County is exempt from Federal Excise Tax.

### **37. TERMINATION FOR CAUSE/SUSPENSION**

In event the County determines that the Contractor failed to comply with any term or condition of this Contract, the County may terminate the Contract in whole or in part upon written notice to the Contractor. Such termination shall be deemed "for cause." Termination shall take effect on the date specified in the notice.

In the alternative, the County upon written notice may allow the Contractor a specific period of time in which to correct the non-compliance. During the corrective-action time period, the County may suspend further payment to the Contractor in whole or in part, or may restrict the Contractor's right to perform duties under this Contract. Failure by the Contractor to take timely corrective action shall allow the County to terminate the Contract upon written notice to the Contractor.

"Termination for Cause" shall be deemed a "Termination for Convenience" when the County determines that the Contractor did not fail to comply with the terms of the Contract or when the County determines the failure was not caused by the Contractor's actions or negligence.

If the Contract is terminated for cause, the Contractor shall be liable for damages as authorized by law, including, but not limited to, any cost difference between the original Contract and the replacement Contract, as well as all costs associated with entering into the replacement Contract (i.e., competitive bidding, mailing, advertising, and staff time).

### **38. TERMINATION FOR CONVENIENCE**

The County may terminate this Contract for Convenience, in whole or in part, upon ten (10) business days' written notice, the calculation of such period beginning on the second day after mailing. If this Contract is terminated for convenience, the County shall be liable only for payment required under the terms of this Contract for services rendered or goods delivered prior to the effective date of termination.

### **39. TERMINATION PROCEDURES**

After receipt of a notice of termination, except as otherwise directed by the County, the Contractor shall:

- a. Stop work under the Contract on the date, and to the extent specified, in the notice;
- b. Place no further orders or subcontracts for materials, services, or facilities related to the Contract;
- c. Assign to the County all of the rights, title, and interest of the Contractor under the orders and subcontracts so terminated, in which case the County has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts. Any attempt by the Contractor to settle such claims must have the prior written approval of the County; and
- d. Preserve and transfer any materials, Contract deliverables and/or County property in the Contractor's possession as directed by the County.

Upon termination of the Contract, the County shall pay the Contractor for any services rendered or goods delivered by the Contractor prior to the effective date of termination. The County may withhold any amount due as the County reasonably determines is necessary to protect the County against potential loss or liability resulting from the termination. The County shall pay any withheld amount to the Contractor if the County later determines that loss or liability will not occur.

The rights and remedies of the County under this section are in addition to any other rights and remedies provided under this Contract or otherwise provided under law.

The other party then shall actually provide copies of those documents to the requesting party by such date.
- c) In the event that a party fails to fulfill its obligations pursuant to this section, and due in whole or in part to such failure a court of competent jurisdiction imposes a

penalty upon another party for violation of the Public Records Act, then the party in breach of such obligations shall indemnify the other party for that penalty, as well as for all costs and attorney fees incurred by that party in the litigation giving rise to such penalty.
